

BUCKLAND BREWER W.I.

If you are interested in making friends, having fun, food, entertainment, learning new things and helping others we would love you to come along for a taster. There is no pressure for you to formally join The WI, although we sincerely hope you will want to.

You don't need to be able to make jam or knit and you certainly don't need to be over.....ahem.....a certain age. You actually only need to be 18 years old to join and there's no upper age limit. So, this could even be something sociable to unite all the women in your family.

We promise there will be plenty of new and exciting things for the 2019 programme that will appeal to everyone and we are very keen to support local causes and charities along the way.

Buckland Brewer has had a village W.I. for almost a hundred years and it was one of the first in Devon. It would be a huge achievement to make it to our centenary in 2024 and we would love to do so.

We meet at 7:30pm on the 1st Wednesday of each month at Buckland Brewer Village Hall.

If you would like to speak to someone before taking the plunge please do get in touch with one of us:
