

The Flying Start Federation Newsletter 23th April 2018 Issue 13

(www.buckland-brewer-primary.devon.sch.)
Federation website for both schools

Welcome back to the Summer Term. We have a busy term ahead with some very exciting learning planned which kicks off with Forest school this week. If your child is attending Forest school this week, please make sure they are prepared for all weathers- as this is very changeable at the moment. Also keep your eye on key dates either on the newsletter and the federation website for all the events planned this term. As the weather is quite variable at the moment it is up to parents to make sure their child comes to school with sun cream on as necessary, a sun hat when needed, water bottle and a showerproof coat.

This week **Attendance** reports will go out for children whose attendance has fallen below 95%. We are aware that there was a lot of illness about last term so there will be low concerns, but this is an opportunity for you to check that a bout of illness was the cause or if there is a pattern of absence emerging that may indicate other problems. Attendance that falls below 90% does cause concern and even if there are genuine reasons a child will struggle to catch up with what has been missed and this can affect self-esteem and well-being. Therefore if this is the case it is important to ensure that no further absence is caused by avoidable circumstances as listed on our policy which you can find on our website. If you have any worries about this please talk to your class teacher.

Parent/carer Questionnaires- Results. Thank you to all parents/carers who returned the questionnaire. The overall response was very positive. The governors have considered these results and discussed ways to improve within areas highlighted. This will also form part of the discussion for the next parent forum.

Lunchtimes and playground champions:
 I was very pleased to award the bronze certificate of achievement to our new playground champions at Buckland Brewer who have been working hard to support younger children at lunchtime and improve the quality of play. At

Parkham this term we have introduced two sittings at lunch time which is similar to Buckland which means the KS2 children go out to play first while the younger children have lunch before swapping over. We also hope to recruit playground champions at Parkham after half term ready for the new academic year,

Parent App:

Watch out for dates on the calendar on this newsletter, on the website and on the website App. If you have not downloaded it yet please do as all parents using it say it keeps them well informed. Go to your APP store and find it by searching the postcode EX39- The Flying Start Federation.
